R.C. Report: Jose reported from the area meeting that Oct.10 is the last day to get our final players numbers in for area tournaments. It is going to cost \$7.75 per player for all area tournaments. Joaquin will need to contact Don for any Referee issues. The Damon Garcia Tournament will be held Dec. 5 & 6 for U-10 and U-14 boys, and the Soto Company will be held Dec. 12 & 13 for U-10 girls and all U-12 these tournaments are Area All-Star Tournaments. There is a possibility that we may host these tournaments. The Turkey Trot Tournament being held in Nipomo will be open to all teams not just area winners.

Jose would like for coaches and referees to be reminded that quarters are not meant for water breaks games need to keep going to stay on schedule.

DD's need to still keep on top of coaches certification, there is still more field training available, Oct. 6 at 5:45 and Oct. 7 at 6:30 located at Ryon Park in front of tennis courts. Last date will be Oct.10 from 12-3PM @ Riverbend, these trainings are good for U-6,U-8, & U-10.

Coaches that are interested in National Games will be voted on after meeting.

Post Season Board Positions are all open, further details to follow.

Jose is asking for all coaches interested in coaching All-Stars to please have their application submitted by Oct. 10.

As of right now some teams are doing great with their points while others are falling behind. Some Coaches have been asking for spreadsheets on the points they have been credited so far, this is too much work for Katie so you can tell the coaches if they make their own spreadsheet they can email it in for verification. Referee points have not all been submitted yet. *** *If coaches are not certified or do not have all the points they will not participate in Austin Eckersley Tournament**** we need this information by week 6.

DD's please call coaches to make sure all players are showing up and rosters are full.

Board shirts should be ready and ready for pick up as well as the sweatshirts

Oct. 22 No practices to be held at Miguelito School

Field monitors need to be aware that fans cannot be sitting on the opposite side "cheering" for their team.

Post Season Director: Misa will have Board information soon on all open spots. All-star applications are now available on-line. Executive Board members will be the only ones voting on All-star coaches.
