Jose also told said we will be needing help on Jan.2 & 3rd for field painting, and Jan. 8 at Embassy Suites for check-in. Stacey Alvarez mentioned that she sent a notice to the newspaper for queen candidates to apply to us by Jan.1 if they were interested in being sponsored by AYSO. Please contact Stacey if you are interested in being on the queen committee board.

R.C. Report: Area meeting Nov. 23 had a representative from EAYSO come talk to them regarding any issues we might with eayso and are contact is John@coachjohn.org. Paso Robles now wants to host the area play-offs so we are no longer hosting. Paso Robles treasurer was caught on embezzlement.

Our \$7.75 per player fee area fee will be paid out of our all-star account.

American Legion has become partners with AYSO so if there is anyone interested in reaching out and helping with the community, please do so.

CVPA needs to be aware of any previously flagged volunteer applicants because it a lot easier to deny them than to "fire" them.

State games will be held in Camarillo this year if we have any teams that make it.

B.K. Sports will donate a \$1 if we use their uniform. Coaches Training/Road shows will be held Mar. 22 location TBD. The road show regarding Section Strategic Planning will be April 16-20 on Carnival Cruise lines to Ensenada \$159.00 per person. If anyone is interested in attending you must pay for yourself it is just not in the budget this year. Any help from board members during the Spaceport tournament will be greatly appreciated. Post season board will make a schedule for snack bar help.

At area play-offs one of our U-14 boy's team came in 4th while the other U-14 boys took 2nd and received the wild card advancing them to Bakersfield. U-10 girls also took 2nd and got the wild card!! Jose thanked the board members and referees that came and helped out for the SLO tournament, also thanked the board members that put their names down as asst. coaches so those teams were able to qualify for tournament. Jose learned this is a very common practice with all boards in our area. Our goal is still to make sure everyone is certified, maybe for the upcoming season we can offer more local trainings.

Referee Report: Joaquin mentioned that we should have plenty of referees for the SLO tournament. Don has now backed off from having parent referees and doesn't mind who is doing the refereeing. If anyone else is interested in refereeing please email Joaquin with times of availability. Misa congratulated Joaquin on all the new officials he got this year especially the youth officials.

Treasurer Report: Selena asked if the names of bounced checks should be seen on treasurer's report, Jose checked with area and it is fine to do so but it is confidential and may not leave the meeting. Selena made a motion to approve the report and Misa 2nd it everyone in favor with the exception of Teresa she did not want to approve until we receive the money owed.

Safety Director: Incident forms can be found on website and in coach's packets. All 3 incident forms filled out by Ken were all outdated and listed a company we are no longer with we need to have Ken redo them on the proper forms.

Events: We need to put a queen candidate committee together, who's interested?? Small trailer is being used for Bryce's Memorial Bikes for Kids.

Stacey made a motion to approve the minutes with corrections made and Misa 2nd.

Meeting adjourned at 8:05pm
